

SERC-NAHRO Small Agency Sponsorship Applications Now Being Accepted for the 2024 Fall Workshop

SERC-NAHRO is pleased to announce a limited number of Annual Conference sponsorships expressly for small agencies. To qualify:

- Your agency must be a current member of SERC-NAHRO
- Your agency must have no more than **250** combined HCV-assisted and/or Public Housing (current or RAD-converted) units.

Sponsorships will be awarded every year during the Spring & Fall application periods. A maximum of four sponsorships will be awarded during each application period. Sponsorships will cover the cost of conference registration only. Applications will be ranked based on financial need, statement of interest, and completed application using a point system. Applicants who have not received a sponsorship in the past will be given priority.

Sponsorship applications will be sent to the SERC-NAHRO Small Agency Task Force for review and selection. This is a competitive application process and all requested information must be submitted to be eligible for the sponsorship. Only one application per agency may be submitted during each sponsorship period. Award winners will be notified within ten business days after the selections have been finalized. The sponsorship program is intended to assist small agencies who may not be able to attend the Conference/Workshop due to budget constraints so that they may take advantage of the excellent professional development, incredible networking and valuable training opportunities that are available at the event.

For the Fall application period, applications must be received by October 11, 2024 at 12:00 pm ET. Applications should be completed and emailed to lisa@brha.com
