

Addendum #1

PLEASE NOTE: As long as you are registered for this RFP, you will continue to receive these notices. If you plan to not respond to this RFP with a proposal submittal, you may want to access the eProcurement Marketplace and mark "No Bid". Once you have done such, you will not continue to receive any notices pertaining to this RFP.

We have received the following requests for information and hereby respond to each as noted:

(1) EXTENSION OF DEADLINES. We hereby extend each of the following Deadlines as noted:

(1a) The DEADLINE TO ASK QUESTIONS is hereby extended to 3:00 PM CT on Monday, March 20, 2023; and,

(1b) The PROPOSAL SUBMITTAL DEADLINE is hereby extended to 3:00 PM CT on Thursday, March 30, 2023.

(1c) For any firm that has already delivered to us the required sealed proposal submittal, no action is required on their part as a result of this RFP. As the eProcurement Marketplace is a "sealed software," we cannot see any pricing submitted, we only know that it has been submitted; and we will keep all sealed proposal submittals (which do NOT contain any pricing) safe and sealed until the Proposal Submittal Deadline has expired.

We are grateful for your interest in doing business with our Agency and we look forward to receiving a proposal submittal from your firm.

Regards,  
Katherine Foster  
Business Services Coordinator
